LOUIS MARINELLI
FOR GOVERNOR

To whom it may concern:

Please accept this letter as confirmation that I retained the legal services of Alexey Gavrishev of AVG Legal to represent me and defend my rights as a tenant pursuant to relevant local contract law while living in Russia.

Not only am I highly satisfied with his service, but I am also extremely grateful that he so staunchly defended my rights against those who sought to take advantage of me and my family simply because I was foreigner in the country, unable to speak the language well enough to speak on my own behalf, unfamiliar with the local laws, and unaware of my rights as a tenant.

Without his assistance, we would have been unable to come to a resolution. Therefore, I would recommend Mr. Gavrishev to other foreigners visiting Russia who may benefit from having a strong legal advocate by their side.

Please do not hesitant to contact me should there be any questions.

Sincerely,

Louis J. Marinelli
Candidate, California Governor
